

ONE BAD INNING LOSES FAST GAME; HOOK FOR BROWN

O. R. E. Batters Find Minger Twirler in Sixth and Start Run-getting Bee; Elliott Is Wild.

Allison had a chance against the O. R. E. until the sixth inning yesterday at Hopewell field. At the opening of this frame the visitors were behind only one run. In the sixth the railroaders chased in six runs, making the score 10 to 3. After that neither side marked.

Times looked bad for the miners in the first, when the O. R. E. scored without a hit. Tenorio crossing the plate, Elliott started good, striking out two in addition to not allowing the locals to hit safely.

Allison exerted the count in the second, when Brown was passed and scored on Elliott's two-base clout to the fence between right and center. In the third, Allison was in the lead for the only time during the contest. Hamilton singled, Wagner sacrificed him and Canavan hit, scoring him.

Albuquerque placed a trio of runs to its credit in the fourth. Salazar was safe on a grounder, M. Chavez was out and Hartline hit over second, bringing home Salazar. Monquera bled, pushing Hartline along to third. Anderson hit, scoring Hartline. Salazar was out trying to reach third. O. Chavez grounded out, Brown to Elliott.

The visitors made their last tally in the fifth. Hamilton was hit by Hartline. Wagner struck out and Canavan fled out to Anderson. Brown singled, sending Hamilton in.

The O. R. E. failed to do anything in the scoring line in its half of the fifth. Then came the sixth, which put the game on its feet. M. Chavez, first in, got safe on Hartline's out to Elliott. Monquera got free transportation. Anderson popped up a Texas leaguer, scoring Chavez and advancing Monquera to third. O. Chavez took life on an error. Monquera scored on an error. Gonzalez then hit for two bases, scoring D. Chavez and Anderson.

At this stage the Allison captain yanked his battery, substituting Elliott for Tenorio, Murphy for Salazar and M. Chavez was passed, forcing in Gonzalez. Tenorio came in on a wild pitch. Salazar was caught between third and home, making the last out.

The attendance was more than 200. The score:

St. Louis, Aug. 15.—A double-header which was enlivened by a storm of pop-bottles and cucumbers directed against Umpire Byron and by Roger Bresnahan's attempt to attack a fan in the grandstand and had called him a rascal was divided between Chicago and St. Louis here today.

The visitors took the first game, 5 to 1, and the locals the second, 8 to 1. In the last inning of the first game the batters took exception to Byron's ruling which put Miller out after a slide into second. Byron ran and escaped the missiles but the game was delayed for five minutes while a dozen field hands cleared the diamond of hundreds of bottles and cucumbers.

The police and Umpire Eason stopped Bresnahan as he was climbing into the grandstand and prevented further violence.

Bill James Out of the Game

Boston, Aug. 15.—Just in the time when the Braves are in need of all the pitching ability they possess, old Bill James, who tossed such magnificent ball last year for the world's champions, has been compelled to leave the game on account of the poor condition of his pitching arm. Physic-

ians have told the pitcher that if he ever expects to lose a ball again, he must give his arm a complete rest, so Bill has started for Washington and will not be seen with the Braves the rest of this season. He has not been tossing remarkably ball this year, his average being but .55.

JACK NESS OF OAKLAND
SMASHES BAT RECORDS

BY MORNING JOURNAL SPECIAL LEADER WIRE

New York, Aug. 15.—Some remarkable statistics have been compiled in connection with the record made by Jack Ness of the Oakland Athletics in the Pacific Coast league, in scoring at least one hit in forty-nine consecutive games. Ness started his string of hits, which eventually displaced the record held by Ty Cobb, on May 21. His batting average did not drop until July 21 and during that period the giant Oakland first baseman went to hit 184 times scoring thirty-six runs and eighty-one hits including thirteen two-baggers; three three-baggers and six home runs. Total number of bases was 118 for the forty-nine games and his batting average for the same period .449.

PASSING THE BATTER
SOURCE OF ARGUMENT

BY MORNING JOURNAL SPECIAL LEADER WIRE

New York, Aug. 15.—The question as to whether a batter was intentionally passed to first in a constant source of argument among baseball fans. In a recent game in the Central association, the pitcher of the Waterloo club left no doubt regarding his intentions by pitching four balls to the first baseman instead of the catcher. Following the fourth pitch the umpire ordered the batter to take his base, whereupon the Keokuk club manager protested the decision and game. When the latter team won the contest in a subsequent rally the question of the protest was dropped.

SUPERBAS SHOW BEST GAIT IN THE NATIONAL LEAGUE

Brooklyn Threaten to Displace Phillies if They Slacken; Quaker City Team Is Playing Steadily.

BY MORNING JOURNAL SPECIAL LEADER WIRE

New York, Aug. 15.—Brooklyn led the pace in the National league during the week just ended and is strongly pressing Philadelphia for the leadership in the season's longest league organization. The Superbas won six out of the seven games they played, regaining a strong hold on second place and putting themselves in a position to displace the leaders should the latter show any signs of faltering.

The Phillies, however, do not appear to be in a faltering mood. They dropped only one contest during the week, putting three to their credit and playing the steady game that has kept them at the top or near it for the greater part of the season.

The Braves are not having a very successful time in working toward the top. Last year at this stage of the race they were in the full stride of their march to a pennant and a world's championship. Now they are hovering around the 500 mark with no evidence of the lightning pace that they displayed in 1914.

The American league contest is an altogether different affair. Long ago it became apparent that only three teams had a chance for the pennant. The games of the last week seem fairly to have measured the chances of the trio. The Boston won seven games and dropped one. Detroit and Chicago each played four games, winning three and losing one each.

The Detroit Sox, of course, were playing on their home grounds, but they have proved an extraordinary good road team this year. Kansas City had a disastrous week of it in the Federal league dropping enough to plunge the team from first place to fourth during the week ending Saturday. The first five clubs, however, remain closely bunched, with changes among them possible as the result of a day or two's play.
